3) MINUTES OF THE LAST PARISH COUNCIL MEETING HELD

The previous minutes were approved and will be signed by the Chairman.

4) RECEIVE ANNOUNCEMENTS FROM CHAIRMAN

None

5) OPEN FORUM

One member of the public reported that the pavement outside the Memorial Hall had been repaired.

A letter had been received from a resident on Dalton Lane regarding dangerous parking at junctions – discussion took place about general parking around the village. It was agreed a letter would be sent to Burton News

6) RECEIVE REPORTS FROM COUNTY & DISTRICT COUNCILLORS

County Councillor Bingham was unable to attend due to other Parish Meetings. He sent through his report as follows:

In the last fortnight Covid cases in Cumbria have risen from single figures to hundreds with serious spikes expected in Barrow and Carlisle while the Lancashire spikes –less than 50 miles away –are the highest in the land. ZOOM meetings have come back in force in all councils.

Our schools are still performing well. QES and Dallam reported satisfactory A level and GCSE results. Cumbria schools attendance in the first week was 84% in secondaries and 83% in primaries. Mobile testing stations are on their way (-they say!).

Kendal Library is open mornings but there is no news about Milnthorpe or other branch libraries. Kendal leisure centre swimming pool has re-opened.

Roads :-Tarn Lane should have been resurfaced . Delays are expected during road works at J36 on the M6, with possible diversions along the A6070. I have asked for speed monitoring at both the north and south ends of the village following complaints

about speeding. A camera survey of drainage is to be made by the Quarry on the A6070 and further flood detection should be made near the Creamery.

I am pleased that a pub facility is incorporated in plans for The Royal site.

Tom Harvey and Brian Cooper are following issues about the Church Bank and Green Dragon sites. The footpath through the woodland alongside the M6 from Clawthorpe to the village will be closed for weeks for 'the clearance of vegetation.'

Green Bins fortnightly collections, at one per house, have been resumed which is clearer than the report I have already submitted to Burton News.

Many villages are modifying the November Remembrance ceremonies in case the COVID emergency lasts. But we don't know about Christmas changes yet.

7) PLANNING APPLICATIONS

- a) SL2020/0533 Hillcrest, Clawthorpe – Construction of garage – no comments or objections.
- b) SL2020/0528 Crow Trees Barn, Burton – replacement rear conservatory
No comments or objections.

8) FLOODING TO PROPERTIES IN EAST & WEST OF SQUARE

Properties in The Square – particularly East are still having flood issues. More investigations need to take place to find the cause, but it is possible it is from the new water pipes installed to supply the new properties at the back. Cllr Nolan to liaise with engineers and property owners and report back at next meeting.

9) TRAINING COURSES

It was agreed that new Councillors Bailey and Hague to attend the New Councillors course and Councillor Nolan to attend the Community Planning and Aspiring Chair courses. Clerk to book.
